

12-4-18

Good afternoon,

In order to make the greatest impact for youth in Langlade County and serve as many groups and youth organizations as our budget allows we have changed our donation request process for 2019.

If your group or organization plans to request funds from the Antigo Optimist Club from January 1, 2019 – September 30, 2019. 2019 please fill out the attached donation request form and return via mail or email by **Monday, December 31, 2018**. Applications will not be accepted after the deadline. We will review all donation requests at our January board meeting.

Upon returning your application a confirmation email will be sent to you stating "Application Received". If you do not receive a confirmation email, please contact Angel Zimmerman at 715-216-2182 or Sarah Repp 715-216-5858.

We ask that if you do receive funding from the Antigo Optimist Club that you come and speak to our Club at one of our noon meetings to share information on the project/group we funded. Katie Helmstadter our speaker coordinator will contact you.

We also ask that you commit to working 1 hour per \$100 given to your group/organization at the Langlade County Fair 24th-28th, 2019. Selling cheese curds at the fair is our largest fundraiser of the year, and without it we would not be able to support the youth in our community. Angel Zimmerman will contact you closer to fair time to sign up.

Donation request forms can be mailed to Antigo Optimist Club P.O. Box 357, Antigo, WI 54409 or emailed to our 2018-2019 President Drew Lundt at [dlundt@amfam.com](mailto:dlundt@amfam.com) or 715.250.1068.

Thank you,

Antigo Optimist Club Board or Directors
